OFFICE OF THE ASSISTANT ENGINEER AND IRRIGATION OFFICER, No. II SUB-DIVISION, SIDLAGHATTA.

Notification dated 12th December 1962.

Sub.—Allowing water in the right and left bank Channels of Ramasamudram Tank, Sidlaghatta Taluk, Kolar District.

In exercise of the powers under Section 16 quoted in the Mysore Irrigation Act of 1932 as amended from time to time, do hereby notify for the information of the ryots under the above tank and Channels that water is allowed in the channels from 20 th December 1962 as per local circulation for summer paddy cultivation for the entire ayacuts under the tank.

In view of the low duty realisable during the summer season the Ryots are advised to quickly avail themselves of the opportunity and sow the seeds or raise the nursery as the case may be in vouge and see that crops come up early, paddy crops of short duration should be thought of to avoid shortage of water at the tail end of the base period. The ryots who raise the crops other than paddy unauthorisedly will be dealt with under the Irrigation Act. Water will be allowed in the sluices for only four days in a week and for the next consecutive three days the sluice will be closed to guarantee supply for the full base period of paddy if found necessary.
